Frequently Asked Questions Customer Help Center Reference Guide

NASDAQ: VELO | Headquartered in Kathmandu, Nepal

This document provides formal guidance addressing common customer inquiries regarding orders, payments, shipping, returns, and account management. It is intended for informational and testing purposes.

1. Orders & Account Management

How do I place an order on Veloshop?

Customers may place an order by creating a Veloshop account, selecting the desired items, and completing checkout using an accepted payment method. Guest checkout is also available in select regions.

Can I modify or cancel an order after it has been placed?

Orders may be modified or cancelled within a limited window following placement, provided the order has not yet entered the fulfillment process. Once an order has been dispatched from a fulfillment center, it can no longer be modified or cancelled.

How do I create or update my Veloshop account?

Accounts may be created directly through the Veloshop website or mobile application. Account details, including shipping addresses and payment methods, may be updated at any time through the account settings page.

What should I do if I forget my account password?

Customers may reset their password using the “Forgot Password” option on the sign-in page, which will send a secure password reset link to the email address associated with the account.

2. Payments & Pricing

What payment methods does Veloshop accept?

Veloshop accepts major credit and debit cards, select digital wallets, and regional payment methods that vary by market. Accepted payment methods are displayed at checkout based on the customer's delivery region.

Is it safe to enter payment information on Veloshop?

Veloshop employs industry-standard encryption and payment security protocols to protect customer payment information across all regions of operation.

Why was my payment declined?

Payment declines may occur due to insufficient funds, incorrect card details, or restrictions placed by the issuing bank. Customers experiencing repeated payment issues are encouraged to contact their financial institution or select an alternative payment method.

Does Veloshop offer installment or deferred payment options?

Installment payment options are available in select markets through participating financial partners and will be displayed at checkout where applicable.

3. Shipping & Delivery

What delivery options are available?

Veloshop offers standard, expedited, and, in select metropolitan markets, same-day delivery. Available delivery options are displayed at checkout based on the customer's location and item availability.

How can I track my order?

Once an order has been dispatched, customers may track its status in real time through the “My Orders” section of their Veloshop account or mobile application.

Does Veloshop deliver internationally?

Veloshop delivers to all regions in which it operates fulfillment infrastructure, including South Asia, the Middle East, Southeast Asia, Europe, and North America. Cross-border delivery to additional countries may be available depending on the item and seller.

What should I do if my delivery is delayed?

Customers experiencing a delayed delivery are encouraged to check the tracking status within their account first. If the issue persists beyond the estimated delivery window, customers may contact Veloshop customer support for further assistance.

4. Returns, Refunds & Exchanges

What is Veloshop's return policy?

Most items purchased on Veloshop are eligible for return within a specified window from the date of delivery, provided the item is unused and in its original condition. Certain categories, such as perishable groceries and personal care items, may be subject to modified return eligibility.

How do I initiate a return?

Returns may be initiated through the “My Orders” section of the customer's account by selecting the relevant order and following the guided return process.

How long does it take to receive a refund?

Refunds are typically processed within a standard timeframe following receipt and inspection of the returned item. Processing times to the original payment method may vary depending on the customer's financial institution.

Can I exchange an item instead of returning it?

Exchange availability depends on the specific item, seller, and regional policy. Where exchanges are not directly supported, customers may return the original item for a refund and place a new order.

5. VeloPlus Membership

What is VeloPlus?

VeloPlus is Veloshop's paid membership program, offering benefits such as expedited shipping, exclusive promotional pricing, and early access to select deals.

How do I subscribe to or cancel VeloPlus?

VeloPlus membership may be activated or cancelled at any time through the account settings page. Cancellation will take effect at the end of the current billing cycle.

6. Customer Support

How can I contact Veloshop customer support?

Customer support is available through the Veloshop mobile application, website help center, and regional support lines corresponding to the customer's local market.

What are Veloshop's customer support hours?

Customer support availability varies by region, with extended hours provided in major markets to accommodate international time zones.

How do I report a problem with a third-party seller?

Concerns regarding third-party sellers may be reported directly through the order details page. Veloshop's marketplace quality team reviews all reported concerns in accordance with seller conduct policies.
